

Getting the Best Health Care Possible: You are Worth It!

Brownbag Lunch Series

Noon to 1:00 p.m.

at the

Landon Center on Aging, Room 200

July 9, 2008 (Wednesday)

Presenter: Carol McAdoo

Do you ever feel overwhelmed by the language of medicine, the complexity of your options, the rules of the medical road, the hurry and scurry of your appointments or do you ever get just plain tired as you try to plan for your best health care and for your best future? This workshop is designed to help you be in charge as you find your way through the system. You are in charge of your Goals of Care. You are in charge of a partnership with your health care team and with your family. This workshop will provide you with information which will help you develop your own Road Map to Quality Care.
