
Creative? Who, Me?!

Brownbag Lunch Series

Noon to 1:00 p.m.

at the

Landon Center on Aging, Room 200

February 20, 2008 (Wednesday)

Presenter: Lorrie Eagles, MSED, LPC, Life Coach

All too often we believe there are only a few people in the world, usually in the arts, who are creative while the rest of us are simply not creative. As an Artist and Life Coach, Lorrie has a different perspective. She will explore with us the different ways in which people are creative, how we can use creativity in our personal and professional lives, and how it enhances our lives when we do!

Lorrie is the founder of Authentic Communication, which guides clients in reaching cherished personal and professional dreams and goals. She is also a columnist for the Kansas City Star's 'FYI Solutions' section.
