

# CHRONIC DISEASE PREVENTION & INTERVENTION

BROWNBAG LUNCH SERIES

NOON TO 1:00 P.M.

AT THE  
LANDON CENTER ON AGING, ROOM 200

FEBRUARY 25, 2009 (WEDNESDAY)

**Presenter: Biago Pagano, MSPH, Education Coordinator and Public Information Officer for the Unified Government Public Health Department of Wyandotte County**

The presentation focuses on some basic statistics, examples of heart disease, risk factors, nutrition and physical activity intervention, and other measures people can take to reduce the risk of heart disease, cancer, diabetes, and to lead a long, healthy life.

Biagio Pagano has a Masters Degree in Public Health with over 25 years of public health experience. Past work related experiences include health planning, chronic disease prevention and health promotion with emphasis on tobacco control, nutrition, weight management and exercise.
