BROWNBAG LUNCH SERIES

NOON TO 1:00 P.M.

AT THE

LANDON CENTER ON AGING, ROOM 200

**November 30, 2005**

**Presenter: William C. Buck**

Being ill, or having a family member ill, is frustrating enough without facing the hassles of claim denials. It seems like nearly every communication from our health insurance company says "not covered" for one reason or another.

"Understanding Health Insurance and Claims Denials" is a basic instruction manual for health insurance consumers. Attendees will learn how to make sure they get the full benefit from their health insurance premium.

The program provides basic training on using the reconsideration and appeal process from claims denials. Attendees will learn about administrative and legal tools available at no, or low cost to them.
