Brownbag Lunch Series

Noon to 1:00 p.m.

at the

Landon Center on Aging, Room 200

***Medicine and Nutrition of the
Lewis and Clark Expedition of 1803-06***

January 19, 2005

Presenter: Francis E. (Pete) Cuppage, MD

Come listen to Dr. Cuppage present the medical aspects, illnesses, injuries, and medical therapies of the Corps of Discovery, including nutritional factors, during the Lewis and Clark Expedition.

Pete is an emeritus professor of pathology and now lectures on medical histories which include the Lewis and Clark Expedition of 1803-06, with special interest with the Santa Fe, Oregon and California trails.
