Only 43% of Seniors have a financial plan. Everything costs more than anyone ever imagined - utilities, gas, medicine, food plus travel and entertainment. Many seniors are using a portion of the equity in their homes to cover costs and live life on their own terms but is a Reverse Mortgage a good idea? The ads say yes. Are they right for you, your family members or your patients? Come find out the truths for yourself.

Madaline Walter, formerly a business consultant, is a Reverse Mortgage Consultant with Wells Fargo Home Mortgage.
