July 25, 2007

Presenter: Lorrie Eagles, MSED, LPC, Life Coach

At some point in our lives, many of us begin thinking about leaving a legacy that will continue after we're gone. We want to leave behind evidence that our living made a positive difference. Lorrie Eagles shares ideas about legacies and facilitates a conversation related to these questions: Why leave a legacy at all? What legacy do you want to leave? What have you done or what would you like to do to create a legacy? Join us for a thought provoking presentation!
