
Poison Control for Older Adults

Brownbag Lunch Series

Noon to 1:00 p.m.

at the

Landon Center on Aging, Room 200

September 19, 2007

Presenter: Daling McMoran, Poison Control Center

This program focuses on the increasing and common issue of older adults poisoning themselves accidentally by improper use of medications, chemicals, or by gases. The Kansas Poison Control Center is located at the KUMC Department of Pharmacy.

The mission of the Poison Control Center is to serve the citizens of Kansas by providing accessible poison and medication-related emergency treatment advice, referral assistance and comprehensive information on poisons and toxins 24 hours a day. Poison Center 1-800-222-1222
