

Fall Retreat

Neurological and Rehabilitation Sciences Training Program

October 12, 2009 (Monday)

8:30 a.m.

1001/1003 Beller Conference Room

in the

Kansas Life Sciences Innovation Center

The retreat is for anyone with an interest in neurological rehabilitation. The focus is on introducing the Neurological and Rehabilitation Sciences Training Program, the trainees, mentors, and internal and external advisors. Nine of the 11 trainees will present summaries of their research projects.
