

JAMES LIN, MD
CURRICULUM VITAE
October 2011

Personal Information

Work Address: Kansas University Medical Center
Department of Otolaryngology
3901 Rainbow Boulevard, MS 3010
Kansas City, Kansas 66160

Education and Training

1992-1996	B.S., Biology, Magna Cum Laude Duke University Durham, North Carolina
1996-2000	M.D. Medical College of Virginia/VCU Richmond, Virginia
2000-2001	Surgical Internship University of Maryland Baltimore, Maryland
2001-2005	Otolaryngology Residency University of Maryland Baltimore, Maryland
2006-2008	Clinical Fellow House Ear Clinic Los Angeles, California

Work Experience

University of Maryland

July 2005-June 2006 Clinical Instructor, Department of Otorhinolaryngology

Louisiana State University School of Medicine

July 2008-August 2011 Assistant Professor, Department of Otolaryngology

Kansas University Medical Center

October 2011-Present Assistant Professor, Department of Otolaryngology

Honors and Awards

1992-1996	Phi Eta Sigma
1996	School of Medicine Scholarship
1997	A.D. Williams Award for 1 st in class
1999	Alpha Omega Alpha, Junior Year
2000	Phi Kappa Phi
2000	Dean's Award for Excellence-Given to top 2 graduates in class

Licensure

2005	Maryland Medical License (Inactive) D63284
2006	California Medical License (Retired) AFE96478
2008	Louisiana Medical License (Active) MD202064
2011	Kansas Medical License (Active) 04-35281

Board Certification

2006	American Board of Otolaryngology Certification #19022
2010	American Board of Otolaryngology Neurotology Subspecialty Certification #19022

Professional Memberships

2000-Present	American Academy of Otolaryngology/Head and Neck Surgery
2001-2005	Maryland Society of Otolaryngology
2009-Present	Orleans Parish Medical Society
2008-Present	American Neurotology Society
2009-Present	North American Skull Base Society

Research Activities

Publications

4. Rick A. Friedman and **James Lin**. The Preauricular Infratemporal Fossa Approach. (In Publication for a surgical atlas edited by Rick A. Friedman).

5. **James Lin**, Daniel W. Nuss, and Rohan R. Walvekar. The Facial Nerve at the Petrous Apex. In: *Atlas Of Facial Nerve Surgery*. Grewal, DS and Hathiram, BT (Eds). (In Press).

Posters

1. **James Lin, MD** and Hinrich Staecker, MD, PhD. Cisplatinium Ototoxicity: A Mouse Model and Protective Effects of Acetyl-L-Carnitine. Poster Presentation at the American Academy of Otolaryngology/Head and Neck Surgery. September 2003.

2. **James Lin, MD** and Hinrich Staecker, MD, PhD. The Image-Guided Approach to the Antrum for Cochlear Implantation. Poster Presentation at The American Academy of Otolaryngology/Head and Neck Surgery. September 2004.

3. Jacques Gaudet, Rohan Walvekar, Michael DiLeo, Anna Pou, and **James Lin**. Applicability of the Pittsburgh Staging System for Advanced Cutaneous Malignancy of the Temporal Bone. Poster presentation at the meeting of the North American Skull Base Society. October 2009.

4. **James Lin**, Jacques Gaudet, Rohan R. Walvekar, Daniel W. Nuss, and Moises A. Arriaga. Complicated Otitis Media in a Regional Otolaryngology Program. Poster Presentation at the American Academy of Otolaryngology. September 2011.

Other Academic Activities

2002-2003	Developed a mouse model for cisplatin ototoxicity and tested protective effects of acetyl-L-carnitine under Hinrich Staecker, MD, PhD.
2005-2006	Began development of a Ferret tinnitus model under Didier Deperieux, PhD at the University of Maryland School of Medicine.
2006-2008	Lab instructor for several House Clinic Temporal Bone Dissection Courses.
2008-Present	Reviewer for <i>Journal of Oto-Rhino-Laryngology (ORL)</i>
2009	Major planner and instructor for LSUHSC Temporal Bone Dissection Course, November.
2009	Moderator for Panel: "Hearing Rehabilitation: The Current State of the Art" at the Meeting of the North American Skull Base Society, October.
2010	Lab instructor at the North American Skull Base Society's course for residents and fellows.
2011	Co-director and instructor for LSUHSC Temporal Bone Dissection Course, January.
2011	Reviewer for <i>Otolaryngology-Head and Neck Surgery</i>

Invited Presentations

1. LSU Health Sciences Center Didactic Day. Topic: Temporal Bone Carcinoma, Baton Rouge, Louisiana, August 2007

2. LSU Health Sciences Center Didactic Day. Topic: Meniere's Disease, Baton Rouge, Louisiana, August 2007.

3. Meeting of the North American Skull Base Society. Topic: Bilateral Cochlear Implantation, New Orleans, Louisiana, October 2009.

4. North American Skull Base Society's Course for Residents and Fellows. Topic: The Petrosal Approach, New Orleans, Louisiana, July 2010.

5. Kansas University Medical Center Department of Otolaryngology. Topic: Spontaneous Otogenic CSF Leaks, Kansas City, Kansas, March 2011.

Local Presentations

1. House Clinic Otology/Neurotology Conference. Topic: Ototoxicity, Los Angeles, California, December 2006.

2. House Clinic Otology/Neurotology Conference. Topic: Temporal Bone Carcinoma, Los Angeles, California, July 2007.

3. House Clinic Otology/Neurotology Conference. Topic: Unusual Cerebellopontine Angle Tumors, Los Angeles, California, January 2008.

4. LSU Neurosurgery-Neurology Conference. Topic: Translabyrinthine Craniotomy, Marrero, Louisiana, September 2008.

Educational Lectures

1. LSU Otology Lectureship. Topic: Hypoglossal-Facial Anastomosis, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, July 2008.

2. LSU Otology Lectureship. Topic: Postauricular Canalplasty for Exostoses, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, August 2008.

3. LSU Otology Lectureship. Topic: Translabyrinthine Craniotomy, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, September 2008.

4. LSU Otology Lectureship. Topic: Office Treatments in Otology, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, November 2008.

5. LSU Otology Lectureship. Topic: Lateral Graft Tympanoplasty, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, November 2008.

6. LSU Otology Lectureship. Topic: Undersurface Transcanal Tympanoplasty, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, November 2008.
7. LSU Otology Lectureship. Topic: Ossicular Chain Reconstruction, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania., December 2008.
8. LSU Otology Lectureship. Topic: Complications of Acute Otitis Media, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, January 2009.
9. LSU Otology Lectureship. Topic: Canal Wall Up Mastoidectomy, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, January 2009.
10. LSU Otology Lectureship. Topic: Review of Radiology of the Temporal Bone, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, February 2009.
11. LSU Otology Lectureship. Topic: Staging and Use of Plastics in Otology, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, March 2009.
12. LSU Otology Lectureship. Topic: Stapes Surgery, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, April 2009.
13. LSU Otology Lectureship. Topic: Encephalocele and CSF Leak via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, April 2009.
14. LSU Otology Lectureship. Topic: Bell's Palsy and Ramsay Hunt, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, May 2009.
15. LSU Otology Lectureship. Topic: Facial Nerve Tumors, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, June 2009.
16. LSU Otology Lectureship. Topic: Cochlear Implantation, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, June 2009.
17. LSU Otology Lectureship. Topic: Bone Anchored Hearing Appliance, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, July 2009.
18. LSU Otology Lectureship. Topic: Treatments for Meniere's Disease, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, July 2009.
19. LSU Otology Lectureship. Topic: Cochleosacculotomy and Superior Canal Dehiscence, via

Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, July 2009.

20. LSU Otology Lectureship. Topic: Labyrinthectomy and Vestibular Nerve Section, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, August 2009.

21. LSU Otology Lectureship. Topic: Vascular Compression Syndromes, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana; and Pittsburgh, Pennsylvania, September 2009.

22. LSU Otology Lectureship. Topic: Glomus Tumors, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, October 2009.

23. LSU Otology Lectureship. Topic: Complications of Acute Otitis Media, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, November 2009.

24. LSU Otology Lectureship. Topic: Anterior and Subtemporal Approaches to the Infratemporal Fossa, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, January 2010.

25. LSU Otology Lectureship. Topic: Petrosal Approaches, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, January 2010.

26. LSU Otology Lectureship. Topic: Transotic and Transcochlear Approaches, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, January 2010.

27. LSU Otology Lectureship. Topic: Intraoperative Neurophysiologic Monitoring, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, February 2010.

28. LSU Otology Lectureship. Topic: Operating Room Instrumentation and Setup for Otology, via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, March 2010.

29. LSU Otology Lectureship. Topic: Canal Wall Up Versus Canal Wall Down Mastoidectomy via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana and Pittsburgh, Pennsylvania, June 2010.

30. LSU Otology Lectureship. Topic: Lateral Graft and Underlay Tympanoplasty via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana, August 2010.

31. LSU Otology Lectureship. Topic: Complications of Acute Otitis Media via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana, September 2010.

32. LSU Otology Lectureship. Topic: Otosclerosis via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana, October 2010.

33. LSU Otology Lectureship. Topic: Cochlear Implantation via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana, November 2010.

34. LSU Otology Lectureship. Topic: Glomus Tumors via Teleconference to New Orleans, Baton Rouge, and Lafayette, Louisiana, January 2011.
