Victor E. and Caroline E. Schutte Foundation

Michael McDonald

Thanks to our sponsors – Companies Committed to Care – and guests, Treads & Threads netted more than \$688,000 to enhance and expand cancer patient care. Proceeds from The University of Kansas Hospital's annual black-tie gala at Kansas Speedway will help expand the apheresis unit on the main campus so more blood and marrow transplant patients can receive lifesaving treatments. In addition, proceeds will help create an appearance center at the Westwood Campus to assist cancer patients facing physical changes.

More than 130 companies, restaurants and campus entities contributed to the success of the eighth annual Treads & Threads. We hope you will patronize their businesses throughout the year and thank them for supporting The University of Kansas Cancer Center.
