

9TH ANNUAL TREADS & THREADS

**THANKS TO
OUR SPONSORS!**

Not even Mother Nature's downpour could dampen support for cancer patient care at the ninth annual Treads & Threads gala at Kansas Speedway Sept. 10. The hospital's gala grossed nearly \$1.1 million, which will fund continued upgrades and technology in Radiation Oncology, and a patient navigator to provide orientation and counseling to new cancer patients.

More than 150 businesses, restaurants and campus entities contributed to the event through sponsorships as Companies Committed to Care and in-kind donations. Special thanks go to the restaurants, caterers, dessert specialists and beverage purveyors for valiantly continuing to provide food and drink to keep the party going for our guests, despite stormy weather.

We hope you'll patronize these businesses throughout the year and thank them for supporting Treads & Threads – and cancer patient care.
