

# TENTH ANNUAL TREADS & THREADS

A DECADE OF SUPPORT FOR CANCER CARE

A SPECIAL THANK YOU TO  
OUR SPONSORS AND PARTNERS!

**Thanks to record-setting generosity from sponsors,** the hospital's 10th annual Treads & Threads gala netted more than \$785,000 for patient care at The University of Kansas Cancer Center.

Proceeds from the Sept. 9 event at Kansas Speedway will support and advance clinical trials and fund a pilot program for outpatient palliative care services at the Richard and Annette Bloch Cancer Care Pavilion.

The anniversary gala celebrated a decade of support for cancer patient care, and about 170 businesses, restaurants, campus entities and individuals contributed through sponsorships as Companies Committed to Care or through in-kind contributions. Many sponsors and restaurants have supported Treads & Threads since its 2002 debut (noted with ★).

We hope you'll patronize these businesses throughout the year and

thank them for supporting Treads & Threads – and for helping to improve the lives of our cancer patients and their loved ones.

A record crowd of more than 3,600 guests included (from left) former event co-chairs **Mark Faber, AEG/Sprint Center,** and **Holly Faber, RN,** hospital OR; **Linda Jensen** and **Roy Jensen, MD,** director, The University of Kansas Cancer Center; and **Bob Page,** hospital president and CEO.
