

2011 KUMC Faculty Research Day and Poster Session

Register your poster by September 30, 2011

To: All Faculty, Kansas City, Salina and Wichita

From: Gregory S. Kopf, PhD, Associate Vice Chancellor for Research Administration

The 2011 Faculty Research Day will be held on November 3, 2011 and we will once again have a poster session. The University of Kansas Medical Center and the University of Kansas Medical Center Research Institute encourage each faculty member who is currently engaged in performing research to present a poster. Posters that have been or will be presented at local, national or international meetings are entirely suitable. The posters will be on display November 3rd in the Hemenway Life Sciences Innovation Center, Beller Conference Center.

You can pick from one of two ways to display your poster, either in the standard paper format or in an e-Poster format. **Only one viewing format will be allowed per poster.** Standard paper posters will be furnished with a freestanding display board of 4' x 8', with assigned numbers.

e-Posters will also be assigned a number and will be displayed on laptops that will be set up in the same location as the standard posters. e-Posters will allow your counterparts in Wichita and Salina to also view and take part in the Faculty Research Day Poster Session. If you choose this option, forward your PowerPoint e-Poster to Kelly Robertson, krobertson@kumc.edu by October 14, 2011

e-Poster PowerPoint Criteria:

PowerPoint2007 or PDF;

Voiceovers accepted;

Video/Movies clips accepted;

Music or internet links will not be allowed

New for 2011 will be live podium presentations during the reception. This is option that is available for those who choose the e-Poster format, and will be broadcast via ITV to Salina and Wichita. Presentations are asked to be kept at 5-minutes in length. If you would like to participate please select yes or no from the drop down box on the registration page.

To participate in either type of Poster Session, go to

<http://www2.kumc.edu/FacultyResearchDay/> and fill in the required information on or before September 30, 2011

Questions can be directed to: Kelly Robertson, KUMC Research Institute, 913/588-5436, krobertson@kumc.edu
