Policy 6.2.01

Exemptions exist to waive this withholding requirement in the IRS Accountable Plan Rules which state that travel expenses must have a clear business connection and be properly documented with expenses submitted in a reasonable amount of time after travel.***

Procedures:

Per State of Kansas regulations, any State of Kansas employee embarking on travel on behalf of KUMC or KUMCRI is required to seek approval for Out-of-State or International Travel. To do so, complete the Pre-Travel Process modules in PeopleSoft prior to travel. See "Pre-Approval Procedures" in the KUMC Travel Procedural Reference Guide: <http://www2.kumc.edu/finance/pdf/Travel.pdf>

When embarking on travel using funds within the KUMC Research Institute, use common sense and good judgment regarding what is or is not a legitimate business expense. For further information regarding the allowability of items, please see the Travel Procedures: http://www2.kumc.edu/researchinstitute/spa/SPA_Forms/Travel_Procedures.pdf

Original and itemized receipts, with the appropriate authorizing signatures, are to be submitted to the KUMC Research Institute Accounts Payable office after the expenses have been entered into the PeopleSoft Travel Module.

Any expenses outside the scope of the travel and allowances for the travel will be borne by the traveler.

Every Principal Investigator (PI), faculty member, or other authorized person for an account at the Research Institute must understand that his or her signature serves as certification that the requested expense, to the best of his or her knowledge, is furthering the mission of the University of Kansas Medical Center.

Any payment to an individual requires the signature of the payee and the authorizing signature of the payee's supervisor, department chair, or other university administrator. Individuals may not authorize their own reimbursement, per IRS regulations.
