

Mission Statement
Office of Student Affairs
University of Kansas School of Nursing

The Office of Student Affairs in the University of Kansas School of Nursing is responsible for student services in all programs in the School of Nursing. These activities are:

- Recruitment for all programs
- Public information about all programs
- Admissions for all programs
- Coordination of the enrollment process with the Registrar's office
- Financial Aid in coordination with the Student Financial Aid office for KUMC
- Scholarship decisions
- Determination of student awards
- Advisement for all programs
- Liaison with the Student Counseling Center
- Liaison with Student Health Service
- Maintenance of student records
- Maintenance of student lockers
- Graduation activities

The Office of Student Affairs strives to conduct all of its activities with the highest ethical standards in recruitment, admissions, advertising and all other services for students. We adhere to the American Association of Collegiate Registrars and Admissions Officers statement of these standards. They can be found at <http://www.aacrao.org/about/ethics.cfm>
